

IMPORTANT

We have received a memo from Wendy Taylor, Chairman of the EWGA Handicap Committee, requesting that we advise all Clubs to remove the following notice from their Notice Boards.

CONGU Handicap Appeal Procedure (June 2008)

In future, adjustment of handicaps under Clause 23 of the CONGU UHS should be kept within the Club. If the Club has a query as to whether the correct procedure has been followed, they may submit it to the County Area Authority. Should Clubs need any advice regarding adjustment of handicaps, please do not hesitate to contact the C.A.A. (Details in the YLCGA Handbook).
