

YLCGA Inter Club Team Championship - Questionnaire

We have had an increasing number of clubs making the suggestion that the number of players in league teams should be reduced to five instead of seven and it was decided by the Executive that we should find out the general feeling in the County about this.

If we moved to five players, smaller clubs might find it easier to enter a league team and large clubs could field two or more teams in any league if desired. The rules that a club can only run two A teams if they have a Scratch or two B teams if they have an A would be amended. No changes are being proposed for ADP teams.

If there is enough support in favour, a formal proposal would be raised at the AGM in 2010 which, if passed, would come into effect in the playing season of 2012.

In view of this, we would like each club to consult with its members on which, if any, of the teams they would like to see changed and return the slip at the bottom of the page by **31st July 2010** to Ann Thomas, 7 Clive Road, Spofforth, HG3 1AT.
